1992 Yılında Almanya’da İnşaat Sürecinin ilk Adımını Atan ALPTEKİN İnşaat Şirketi Şuan da İnşaat ve Yol Çizgi 2K Akrilik Uygulamalarına Almanya da Devam Etmektedir. Avrupa Boya Kalitesini Türkiyede Hayata Geçirmek Üzere Yatırımlarını Türkiye Boya Sektöründe CHRONIX Markası İle Başlatmanın Grurunu Yaşamaktadır.

Kurulduğu günden bu yana kendini yenileyerek inşaat boyları, mobilya boyları ve sanayi boyları alanlarında da hizmet vermeye başlamıştır. Ar-Ge, Teknik Servis ve Satış- Pazarlama faaliyetlerini birlikte yürüterek kullanıcıya özel çözümler sunmayı, müşteri ihtiyaçlarına uzun dönemli çözümler hazırlayarak müşteri memnuniyetini en üst seviyede sağlamayı prensip edinmiştir.

Hedefimiz; kalitesini dünya standartlarına taşımak amacı ile güven ve samimiyet temellerine dayalı, uzun vadeli bir sistem sağlamaktır.

ALPTEKİN Construction Company, which took the first step of the construction process in Germany in 1992, is currently continuing its Construction and Road Line 2K Acrylic Applications in Germany. Turkey in the European Paint Quality Investment into reality via the Paint Sector in Turkey is experiencing the Chronix Brand With Launch of Grur.

Since the day it was founded, it has renewed itself and started to serve in the fields of construction paints, furniture paints and industrial paints. It has adopted the principle of providing customer-specific solutions by carrying out R&D, Technical Service and Sales-Marketing activities together, and providing customer satisfaction at the highest level by preparing long-term solutions for customer needs.

Our goal; To provide a long-term system based on trust and sincerity in order to bring its quality to world standards.
